## *Chairmen's Welcome*

On behalf of the Michiana Chapter and The Studebaker National Museum we proudly and humbly welcome you home in 2012!

Once again the heart of the Studebaker Nation will be in South Bend. We are privileged to call South Bend our home and deeply understand the historical significance and importance of this area to all Studebaker Drivers Club members. Our unique location and that understanding is what leads us to draw upon all our past experience and local resources in putting on International Meets. The Michiana Chapter and Studebaker National Museum are hard at work preparing for the 48th International Meet and the 50th Anniversary of SDC. This international event is to be more than an annual Concours or Swap Meet, we intend it to be an experience for you and all who attend.

The Meet will be familiar in many ways, but at the same time will offer something new and different from past Meets. We sincerely hope you have the opportunity to spend the entire week with us and experience all that the 48th International Meet, The Studebaker National Museum, and South Bend have to offer.

*Happy Studebakering!*

STUDEBAKER-PACKARD CORP. 795

**CITY PURCHASERS DISCOVER BIG NEWS IN "FLEET DESIGNED" STUDEBAKERS FOR '62** South Bend, Indiana... Unprecedented fleet purchases, reported by Studebaker dealers, are attributed to new "fleet size" dimensions, new spaciously inside.

**FLEET WHEELBASE OF 113" MEETS MOST CITIES' NEEDS**

Municipal fleet purchasers now have, in the handsomely styled 1962 Lark, a quality-built automobile which meets their fleet requirements as if tailor-made including full-size interior, low initial price, and rock-bottom operating costs which have been proved over the last four years. Five full inches of legroom have been added to the passenger compartment of Lark 4-door Sedan. Automotive engineers point out that only the \$2,000 luxury type can here exceed this amount of room. The longer frame is more than 20% stronger, while the separate frame and body construction continues to hold body-mount loads far below those of competitive price cars. Lark 3-door sedans among the lowest priced in the entire Fleet Size, are on a new 108" wheelbase. Engine choices include a Six and two V-8's, ranging from 112 to 225 HP.

**STUDEBAKER TRUCKS OFFER TOP SAVINGS—IN GAS OR DIESEL**

For city truck operation—anything from Highway Department to Sanitation—the big truck series of 1962 is the availability of GM diesel power in a specially engineered Studebaker truck, with Studebaker's famous long-life durability and economy. Special note to all City Departments: you can also carry more of low cost in the handy CHAMP series of smaller Studebaker trucks, beginning at \$1,800. (G.W.V. Ask your local Studebaker dealer to show you the full line-up, with specifications!)

**1962 LARK MARSHALS RATE HIGH POLICE ACCEPTANCE**

New 5-inch larger Sedan with stronger frame, exceptional load-bearing qualities, and improved Heavy Duty engine, provide the complete answer to your Police needs. Tall, wide, rugged machine with the confident and sleek appearance that makes officers proud to be at the wheel. These series of Police-built engines, 112 to 225 HP, all designed for top mileage on regular gasoline.

**FLEET PURCHASE COMING UP? BE SURE TO GET A BIG FIGHT!** **STUDEBAKER** MAKER OF AMERICA'S BEST-BUILT CARS AND TRUCKS

## SHOPPING AND DINING

You can shop 'til you drop...or at least until it's time to eat! Our community is known as the region's primary shopping district. Mishawaka's Grape Road corridor is the second-largest retail and dining area in the state of Indiana. There you'll find University Park Mall and dozens of smaller shopping centers offering hundreds of shops and stores. There are over 100 restaurants in a three-mile stretch of Grape Road, ranging from fast-food to fine dining. Exciting new shopping developments such as Erskine Plaza and Erskine Village on South Bend's south side and Heritage Square and Toscana Park less than a mile northwest of the University Park Mall offer Coldwater Creek, Ann Taylor Loft and even more shopping opportunities in the past year – and are still growing! If you have time to drive, Lighthouse Outlet Mall, one of the best in the tri-state area, is 45 minutes from downtown South Bend in Michigan City.

## ENTERTAINMENT

### TAKE IN A SHOW

Year-round entertainment from concerts and musicals to stand-up comedy is available from Broadway Theatre League, the South Bend Symphony Orchestra, Southhold Dance Company, Morris Performing Arts Center, Bethel College, Saint Mary's College, DeBartolo Performing Arts Center at Notre Dame, South Bend Civic Theatre, and many others.

### JUST FOR YOUR GROUP

Enjoy the harmonies of a Barber Shop quartet or the Michiana Male Chorus, or experience the fine art of story telling! The Story Peddlers will fascinate young and old alike with their tall tales and exciting adventures. Enjoy this special entertainment in the comfort of the host hotel, any time, any day.

### PROFESSIONAL BASEBALL

Catch the exciting South Bend Silver Hawks in action at beautiful newly renovated and expanded-Stanley Coveleski Stadium. The Silver Hawks host the Fort Wayne Tincaps for a four-game home stand Tuesday July 31-Friday August 3.

### UNIVERSITY OF NOTRE DAME SPORTING EVENTS

From football and basketball to tennis, hockey and softball, the men and women student athletes of the University of Notre Dame are sure to make you an Irish fan! Reasonably-priced family entertainment for all ages.

For more information on activities, recreation and family-style fun, call the South Bend/Mishawaka Convention and Visitors Bureau at 800-828-7881 or 574-400-4023 or visit our website at [www.exploresouthbend.org](http://www.exploresouthbend.org)

# South Bend Map

**This map is not drawn to scale  
is not intended to be used as  
travel map, only a generalization  
of meet venue locations**

# Local Transportation

## **FREE MEET SHUTTLE**

There will be a free meet shuttle running between all major meet venues and hotels. The specific routes, pick up and drop off points, and schedule will be released once finalized and will be prominently posted in all meet venues and hotels. **Per the International**

**Meet Committee guidelines SDC meet Registration will be required to ride this shuttle.**

## **SOUTH BEND AIRPORT**

Local industrialist Vincent Bendix, whose company was instrumental in the development of aviation systems, began construction on the South Bend Regional Airport in 1929. Back then, the airport logged a handful of flights, which were posted on a chalkboard, outdoors, near a dirt runway. Today, the South Bend Regional Airport is the only airport in the United States to offer air, intercity rail and interstate bus service all at one convenient location. More than one million travelers are served here annually.

The South Bend Airport is the transportation hub of South Bend, offering non-stop flights to and from Las Vegas, Orlando/Sanford, St. Petersburg/Tampa, Phoenix/Mesa, Cleveland, Atlanta, Cincinnati, Detroit, Minneapolis and Chicago O'Hare via Allegiant Air, Continental, Delta and United Airlines.

## **TRANSPO TROLLY**

Getting around South Bend is easier now than ever with TRANSPO. For work, school or shopping, TRANSPO is your smart choice. Take advantage of the extensive route system that can get you just about anywhere you want to go in South Bend.

The TRANSPO Trolleys are a fun and convenient way to get around to downtown South Bend attractions, do a little shopping, or shuttle off to your favorite restaurants. No matter where you're staying in the downtown area, the Trolley is just

a few steps away.
